

Viel Nois

GUEST HOUSE

If you ask South Tyrolean people “What’s new?”, a common answer is “viel nois”, meaning “lots of good news” to describe some particularly joyful and exciting experiences.

And this is where our story begins:

Familiar faces. Long-standing traditions. And yet so much is new.

‘Viel Nois’ – the play on words transforms the name of our beautiful valley into ‘many new things’: a hearty yet innovative cuisine, cosy suites and apartments, a warm welcome. We (literally) take the overused phrase ‘laid-back atmosphere’ to new heights: with our rooftop terrace and incredible views of the famous Odle peaks!

Say hello to a fresh and exciting holiday experience.
